

Access Statement

We welcome guests with disabilities but we do ask you to bear the following in mind when considering our accommodation.

Kitchen work surfaces are all at the normal domestic height and each property has a toilet and provision for sleeping on the ground floor.

The entrance area and main road through Mill Meadow is relatively level and of tarmac.

Mill Meadow lies in a small valley so once on the public highway there are gradients in both directions.

The lake at Mill Meadow is accessed via a gentle slope of up to 15 degrees.

The area surrounding the lake is grassed but reasonably level and firm. There are level fishing platforms and a paved pathway to the water's edge and one platform.

Specialist shower chairs, hoists etc can be accommodated and are available to hire through local suppliers, subject to prior booking and availability.

Assistance Dogs

Dogs are welcome in all of our properties except Flycatcher Lodge and Heron Lodge. There are areas onsite for exercising dogs who must be on a lead at all times.

We ask guests with individual needs to contact us by telephone or email so we can offer further advise and assistance in planning their stay.

We welcome comment from all our guests, so that we can continually improve our high quality accommodation and make a visit to Mill Meadow as enjoyable as is possible.
