

Clean it

Sort it

Bag it

Mill Meadow and our guests have a longstanding history of recycling and environmentally friendly waste management and this has saved tons of waste going to landfill over the years.

Please continue to help us achieve this and maintain our Covid Compliance

- **Wash/clean all items for recycling**
- **Sort recyclables items and non recyclable waste into the correct containers/bins**
- **Compress items to reduces volume**
- **Empty all lodge waste bins on departure**
- **Take the recycled items and waste to the recycling centre at the entrance of the site when you leave**
